A vibrant, colorful background featuring several cartoon animal characters floating in the air. In the top left, a brown sloth-like creature with large eyes. In the top right, a red and white bird. Below it, a small orange and brown striped squirrel. In the middle left, a grey and white raccoon-like character holding a small orange flame. In the middle right, a white and pink cat-like character. In the bottom left, a large white cat-like character with pink ears and paws. In the bottom right, a large yellow and grey panda-like character with blue eyes. The background is a mix of green and blue with vertical light streaks and small white stars.

Splöotsies

by AURORA®

“sploot” : \splööt\

(noun) - A sploot is a type of elongated body stretch that animals do. Defined by laying on their belly while stretching their back legs out behind them. Unique and adorable.

Eco-friendly Plush. Our Green Initiative.

As of 2019, all of our product lines are being produced using sustainable and eco-friendly materials.

Our plush products 2019 and beyond:

- Fiber fill made from 100% recycled plastics
- Cloth labels made from 100% recycled materials
- Plastic pellets made from recycled plastics
- Hang tags are recyclable
- Shipping materials are made from recycled materials

By going green, we are saving over 3 million pounds of recycled plastics, cutting down paper usage of over 30% annually, and reducing our carbon footprint making it for a greener world.

We love our customers.
We love our environment.
We love our planet.
That's why we are green.

Aurora introduces an exclusive partnership with the biggest name in horses:

Founded in 1950, Breyer's enduring commitment to authenticity and realism have made it the #1 name in horses for generations. Breyer's equestrian experts are proud to partner with Aurora, working hand in hand with Aurora's masterful designers to create an entire world of Breyer plush.

These Breyer horses from Aurora are as beautiful and loveable as the real horses that inspired them.

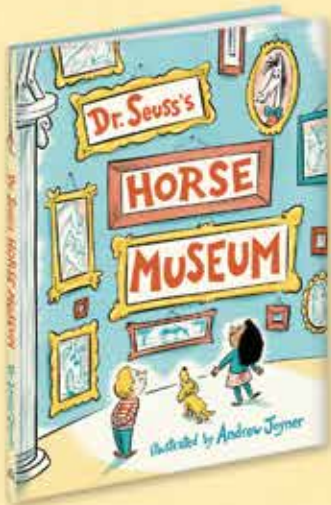

Through it all, every piece carries the most powerful name in horses: Breyer.

A never-before-published
Dr. Seuss non-fiction book about
creating and looking at art!

Published on September 3rd, 2019

Book Reference

Based on a manuscript and sketches by the beloved Dr. Seuss and illustrated by Andrew Joyner, this book is like a visit to a museum - with a horse as your guide! Your tour guide will show you how different artists SEE horses and how those different visions create unique ART.

Mermicornos™

One special night, a group of Unicornos were flying in the direction of falling stars. The falling stars were disappearing into a sparkly sea, which transformed them into starfish while changing snowflakes into jellyfish. They rode the tail of a shooting star into the magical sea, turning them into enchanting creatures of half Unicorn and half fish. One day while following migrating dolphins, they discovered the surface of our world. Thus began the legend of the Mermicornos, rumored to only resurface during a lunar eclipse.

Cactus Friends™

The cactus is a sign of protection. Kids are naïve and vulnerable and need protection. SANDy and her friends zip themselves into cactus suits because they think the world is a cold and scary place, and they need some armor to face it. The cactus is the conservator of water, and water means life. The Cactus Friends are the representation of life, of being fragile and strong at the same time... and pure like water.

Moofia™

Mozzarella leads the Moofia. The Moofia was assembled to extort milk from the lunchboxes of schoolyard bullies. Mozzarella is loving and kind to good kids but ruthless and feared by those who harass the innocent. By taking the milk from the bad and giving it to the good, the Moofia know the good will grow up strong and healthy to protect themselves. Milk is power. Milk is protection.

DONUTELLA™

and her sweet friends

Series 1

Donutella comes from a planet where sugar is used as energy. One day while out scouting the milky way for a new fuel source in her donut U.F.O., Donutella discovered planet Earth. On Earth, Donutella was excited to find a lot of sweets and treats to fuel herself and her people. Almost instantly Donutella realized that it would be much better to start a sweet colony here and invite all of her friends than to go back home.

Mozzarella leads the Moofia. The Moofia was assembled to extort milk from the lunchboxes of schoolyard bullies. Mozzarella is loving and kind to good kids but ruthless and feared by those who harass the innocent. By taking the milk from the bad and giving it to the good, the Moofia know the good will grow up strong and healthy to protect themselves. Milk is power. Milk is protection.

THE WORLD OF DINOSAUR ROAR!

The *World of Dinosaur Roar!* is a global media project, developed in collaboration with the world's leading science museums in the US and the UK, their paleontologists and educators, to teach young children about dinosaurs. Featuring 16 collectible characters, each dinosaur has its own unique name, color and personality. *The World of Dinosaur Roar!* series of children's books and characters is created by Peter Curtis, based on *Dinosaur Roar!* by Paul Strickland and Henrietta Strickland and produced in association with the Smithsonian Institution in Washington, D.C. Sure to be loved by all budding paleontologists and dinosaur lovers.

Every character has a unique hang tag

Eco-friendly Plush. Our Green Initiative.

As of 2019, all of our product lines are being produced using sustainable and eco-friendly materials.

Our plush products 2019 and beyond:

- Fiber fill made from 100% recycled plastics
- Cloth labels made from 100% recycled materials
- Plastic pellets made from recycled plastics
- Hang tags are recyclable
- Shipping materials are made from recycled materials

By going green, we are saving over 3 million pounds of recycled plastics, cutting down paper usage of over 30% annually, and reducing our carbon footprint making it for a greener world.

We love our customers.
We love our environment.
We love our planet.
That's why we are green.
